

KMER[®]
ULTRA 

POWERING
GROWTH

You won't see the loss... **UNTIL YOU HARVEST**

Hidden losses in application
performance can reduce yield,
quality and profit – without
any visible signs.

Small unseen losses become large economic impact.
The difference is often not the chemistry, it's how well the application performs.

KMEP SUPPORTS SPRAY PERFORMANCE

ENHANCES APPLICATION EFFICACY

KMEP improves coverage across the leaf surface and enhances deposition to ensure the product reaches the target.

SUPPORTS CONSISTENCY

KMEP helps maintain uniform application performance across varying conditions and growth stages.

ESSENTIAL NUTRIENT DELIVERY

Beyond performance enhancement, KMEP provides vital potassium to the crop during critical growth phases.

**WHAT YOU DON'T SEE
IS WHAT HURTS YOUR YIELD.**

**OPTIMIZE EVERY APPLICATION.
MAXIMIZE EVERY RESULT.**

**MAXIMIZE INPUT
INVESTMENT**
Get the most from
every application.

**PROTECT YIELD
POTENTIAL**
Reduce hidden losses
and increase ROI.

**PROTECT YIELD
POTENTIAL**
Reduce hidden losses
and increase ROI.

**IMPROVE
PROFITABILITY**
Small improvements
lead to big returns.
